REPRIMAND POLICY

The following reprimand policy will be enforced throughout Summer Camp. **Please read this section completely.**

Incidents upon which this policy will be enforced include, but are not limited to fighting, use of foul language, disrespect to staff members, other campers or members and failure to follow instructions.

Upon the First Infraction, the child will be removed from the activity and placed in "time out". He/she will be made aware of the reasoning for the punishment and the consequences. The Camp Director will be made aware of the situation and a written documentation of the incident will be kept on file. The incident will be documented and reported to the parents. The parents will be required to sign an incident report, which documents the behavior and action taken.

Upon the Second Infraction, the child will be removed from the activity and placed in "time out". He/she will be made aware of the reasoning for the punishment and the consequences. The Camp Director will directly contact the parents and inform them of the situation. The parents will be required to sign an incident report, which documents the behavior and action taken. It is the Camp Director's discretion to decide to withhold a child from attending a field trip. A counselor will remain at Franco's to stay with any children that have opted out to attend the field trip. The parents will be warned that any further infractions will result in removal of the camp.

Upon the Third Infraction, the child will be removed from the activity to sit in the Director's office. The Camp Director will notify the parents to request the child be removed immediately. At this point the child will not be allowed to return to camp, **no refunds** will be granted for that week.

In the event of an extreme situation, the camper may be removed from camp activities after one infraction.
