WHY PILATES

Pilates is designed to stretch, strengthen and balance the body.
Pilates is based on the belief that mental and physical health are inter-related.
Pilates is endorsed by health professionals worldwide.

Joseph Pilates philosophy:

*In 10 sessions you will FEEL the difference.
In 20 sessions you will SEE the difference.
In 30 sessions you will HAVE a whole NEW BODY.*

Small group Reformer or Tower classes give you the opportunity to train on the reformer or tower with a certified Pilates instructor in a class that accommodates up to 6 people.
