STRONGER TOGETHER

— Giving Back, Building Forward —

For 37 years, Franco's has been more than a gym—it's a place where friendships grow, traditions thrive, and families come together. Each summer, we open our doors even wider, creating a season of connection, fun, and giving back.

This year, we're embracing *The Ripple Effect*—small moments of togetherness that create lasting waves of impact. Whether it's a child's first swim, a family's laughter at a poolside movie, or a member supporting a local cause, Franco's is where unity begins.

A FUN-FILLED, FAMILY SUMMER!

Summer at Franco's is always special, and 2025 will be our best yet! We kick off on Friday, May 23 with our Moana-themed Summer Kick-Off Party & Poolside Movie — a night of island vibes, fun, and magic under the stars.

And the fun doesn't stop there! Our waterslides will be open all summer, bringing endless excitement, while our weekly series of Dive-In Movie Nights offer families a perfect way to relax and connect. New this season, our Summer Kid Fitness Leaderboard will inspire our youngest members to get moving, level up, and earn prizes all while fostering a love for wellness.

NEW WAYS TO WELCOME, ENGAGE & ENJOY YOUR EXPERIENCE

At Franco's, listening to our members is key, and this summer, we're delivering something special: **The Reminding Coffee & Café, a local favorite, is now at the helm of Franco's Café & Poolside Grill.**

Franco's is especially excited to welcome The Reminding because their "You Are Loved" banner and service model align perfectly with the heart of our club.

The Reminding team brings their love for people, passion for exceptional service, and a thoughtful menu to Franco's, ensuring a fresh, high-quality café experience with a personal touch.

"At The Reminding, we believe in more than just great coffee and food—we believe in creating environments where we would want to bring our own families. We love gathering, serving people, and watching relationships flourish. That's exactly what Franco's has stood for all these years, and we're honored to be part of that legacy," says Steve Tujague, Jr.

"Ron and Sandy truly listen to their members, and the recent survey made it clear just how much they value community feedback. Our menu will reflect Franco's dedication to quality and consistency, featuring some of our most popular items along with new Franco's-focused offerings—perfect for members on the go, poolside, or dining in," says John Lambou.

Beyond dining, we're shaping Franco's future together! We'll continue Member Surveys in 2025 to help guide future programming and classes, add exclusive senior-only activities, and create more ways for families and friends to connect both on-site and in the community.

Next time you visit, ask about our Franco's Selfie Ring, featuring member-only perks and monthly prize giveaways beginning this month with our first group of 17 lucky winners announced on St. Patrick's Day!

A COMMUNITY THAT GIVES BACK BUILDS A LEGACY

At Franco's, community is action. This year, we're expanding our philanthropic reach, supporting events like Krewe Du Pooch, Hammers & Heels, Pickle for a Purpose, and Jo Jo's Hope.

But it's about more than sponsorships, it's about taking action. We're encouraging our members, staff, and friends to get involved. Whether it's volunteering, fundraising, or simply showing up to support a cause, we can make a greater impact together.

Every workout, swim, and shared meal this summer is part of something bigger. One ripple at a time, we're building a stronger, healthier, and more connected Northshore — together.

Never Standing Still, Always Moving Forward!

KIDS CLASSES THIS SUMMER INCLUDED WITH FAMILY MEMBERSHIP!

KIDS FITNESS THIS SUMMER

We are reshaping fitness for kids this summer at Franco's, beginning with Tuesday and Thursday group exercise classes for kids! Bring your child directly to class for 9:30 am or we can escort your child from Child Care to the class if they are already in the club.

GROUP EXERCISE FOR KIDS

Taught by a certified personal trainer and group fitness instructor, Rebecca Chapotel, the fun is baked into the fitness in these classes. This year we are inspiring our youngest members to attend classes to gain recognition on our Summer Kid Fitness Leaderboard!

- Earn recognition for participation
- Earn recognition for increasing fitness
- Level UP as you progress
- Prizes for Winners!

JUNIOR FITNESS INSTRUCTION

Is your child interested in strength training? This personalized program acclimates children ages 8-14 to strength training, the weight room, and age-appropriate workouts and techniques.

With a line of Hoist strength equipment that was built for children, the participants learn how to safely warm up, use the equipment, and select the correct resistance levels. They also will learn about strength floor etiquette and be certified to use the equipment with a parent after graduating from the training.

With a host of experienced Franco's certified personal trainers who specialize in children's fitness, your child will learn a love of strength training to embark on a lifetime of fitness.

Scan this QR code to learn more or enroll today!
